

# JUNIOR LEAGUE OF HAMPTON ROADS

February 2018 Issue

The Junior League of Hampton Roads, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers.

## DONATIONS AT WORK

Thanks to a generous donation from Neutrogena, the JLHR has distributed more than \$80,000 in product to our partnerships that aid women and their children who face economic adversity in our community. The light therapy masks are being used in youth development programs, in supporting women re-entering the workforce, and in women's empowerment programs. Check out our Facebook page for more details about the recipients!

## COMMUNITY

In February, the JLHR partnered with the Boys & Girls Club of the Virginia Peninsula at their "Beauty and the Social Media Beast" event. 114 girls were broken into four groups, with ages ranging from 5-14+. In each breakout session, a facilitator conducted a 20-25 minute workshop on the topic of self-esteem and the role media plays. The Junior League provided two facilitators, Marcella Williams and Valia Maloney. Marcella spoke to the 14+ age group on how social media can damage self-esteem, providing an interactive slideshow presentation with real-life examples. Valia read "Stand Tall, Molly Lou Melon" to the youngest group, which told the story of a little girl who doesn't let anything - or anyone - shake her belief in herself.

## SUSTAINERS

On Wednesday, November 29, 2017, the JLHR Sustainer Committee hosted their holiday luncheon at the James River Country Club, including a few fun raffle prizes. It was a joy to see so many of our Sustaining Members connect at such a lovely event. To be kept "up to date" on Sustainer events in 2018, please be sure you are on our e-mail list, and check out the "Sustainer" tab on our website.
